EXAMINER'S AMENDMENT

1. The following is an examiner's statement of reasons for allowance:

The claims are allowable over the prior art of record because the prior art of record does not teach or suggest a bias applying means which applies a bias voltage to a fixing member or a conductive member and wherein in the case of image formation on a plurality of recording material are executed in continuation, the bias applying means elevates and lowers the bias voltage in the course of said image formations executed in continuation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Prior Art of Record

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Yano et al. (5,697,037) teaches pertinent prior art.
